Awareness Raising Training: Sensory Processing Difficulties

Designed, developed and delivered in partnership with Liverpool City Council paediatric occupational therapists who are advanced practitioners in sensory integration.

For: parents/carers to better recognise, understand and meet the needs of their child/young person with sensory processing difficulties.

We will be publishing new dates soon – please contact the office for more information.

Eating Difficulties Family Learning Programme: Eating Difficulties associated with Neurodevelopmental conditions

Designed and developed in partnership with Liverpool Community Health paediatric dietitian, Liverpool Speech and Language and the occupational therapists who are advanced practitioners in sensory integration

The Sensory Processing awareness raising training session is a prerequisite to accessing the Eating Difficulties family Learning programme.

This three-day programme provides more in depth learning and follows on from the awareness raising training session.

Friday 16th 23rd and 30th June 2017- 10.00am – 2.00pm. Location TBC - Booking is essential

You are welcome to attend day one of the eating difficulties family learning programme for an overview if you feel this may support you.

Booking is essential

Professionals Awareness Raising Training

Please see the <http://liverpoolcamhsfyi.com/training> website for details of our full range of funded Awareness Raising Training for professionals working with children and young people living with a Neurodevelopmental condition. The next available date for the Professionals Awareness Raising Training will be:

Monday 22nd May 2017 – 9.15am – 4.30pm at Business First Centre

Please book through the liverpoolcamhsfyi.com/training website

Parents and carers who would like to join our Closed Facebook group search for ADDvanced Solutions Community Network CIC and request access to join.

Children's Work

We aim to support children 5-12 with our partners The Black-E, through creative arts, circus skills, dance, board games, and drama workshops to improve self-awareness, relationship development, self-confidence, self-control, improved co-ordination and social and communication skills development. As part of the partnership work, parents and carers are to attend our Community Network Group at the same time:

For more information and to book on contact info@advancedsolutions.co.uk

Young People's work

We offer social and communication activities for young people aged 12 – 19 living with Neurodevelopmental conditions in Liverpool.

For more information and to arrange a 1-1 introduction contact info@advancedsolutions.co.uk

Siblings Groups

Our 'My Family and Me' siblings programme is for siblings aged 6-11 and is delivered over 4 weeks from 4.30pm - 5.30pm on Thursday evenings from our Community Network Office in Speke. **The next available group starts on 4th May 2017.** For older siblings aged 12-19 a drop- in session is delivered on the last Thursday of each month from 6.00pm - 7.30pm from our Community Network office in Speke.

Booking is essential. For more information, please contact info@advancedsolutions.co.uk or check out our website for details.
