### Neurodevelopmental Conditions Family Learning Programme

A family learning programme for families in Liverpool who wish to gain knowledge and skills about their child's neurodevelopmental condition, with strategies to support the difficulties that may present:

Identifying neurodevelopmental conditions/learning and mental health difficulties

Identifying ASD/C

Identifying ADHD

Identifying Sensory Processing Difficulties (SPD)

Identifying challenging behaviours including sleep and behavioral difficulties

Identifying your local offer, welfare rights and educational support

The next courses available are:

**Wednesday 13<sup>th</sup> September 2017  
through to Wednesday 18<sup>th</sup>  
October 12.45pm – 3.00pm in  
Hunts Cross Liverpool**

For further information about this popular learning programme please contact the office on 0151 486 1788 or [info@advancedsolutions.co.uk](mailto:info@advancedsolutions.co.uk)

ADDvanced Solutions Community Network provides community based pre, during and post diagnosis learning, coaching, mentoring, and health and wellbeing activities for families with a child living with a Neurodevelopmental condition including Autism Spectrum Disorder / Condition, ADHD, Sensory Processing Difficulties, Dyslexia, Dyspraxia, Dyscalculia, Dysgraphia, Fragile X, speech language and communication needs, SEN and disability.

Come along to your local Community Network Group which is open access, no need to book. Sessions are delivered in term time and provide an opportunity to share learning and experience and to gain tools, confidence and knowledge to better identify, understand and meet the needs of families living with Neurodevelopmental conditions.

We work in partnership with professionals from statutory organisations and experts in their field to provide effective solution focused support.

The youth groups will be selling cakes and refreshments

The event is open access, come along to **The Black-E Community Arts Centre, Great George Street, Liverpool, L1 5EW. 11.30am – 2.30pm**

**Parents and carers who would like to join our Closed Facebook group search for ADDvanced Solutions Community Network CIC and request access to join.**

## Children's Work

We aim to support children 5-12 with our partners The Black-E, through creative arts, circus skills, dance, board games, and drama workshops to improve self-awareness, relationship development, self-confidence, self-control, improved co-ordination and social and communication skills development. As part of the partnership work, parents and carers are to attend our Community Network Group at the same time:
