Awareness Raising Training: Sensory Processing Difficulties

Designed, developed and delivered in partnership with Liverpool City Council paediatric occupational therapists who are advanced practitioners in sensory integration.

For: parents/carers to better recognise, understand and meet the needs of their child/young person with sensory processing difficulties.

Please contact the office for confirmed dates and to book your place.

Reducing Food Waste

We are working in collaboration with FareShare, a brilliant charity fighting to combat food waste. We will be collecting items of food with a short shelf life donated from Tesco and distributing those items in our Community Network Groups throughout Liverpool

ADDvanced Solutions Community Network is a Community Interest Company, not for profit social enterprise established out of need in 2012 to provide community based, open access, pre during and post diagnosis learning, coaching and mentoring for families with a child living with a Neurodevelopmental condition including ASD/C, ADHD, sensory processing difficulties, dyslexia, dysgraphia, dyscalculia, dyspraxia, social communication difficulties, SEN and disability.

We aim to equip families with the skills and tools to better recognise, understand and support the needs of their family, building resilience and confidence to access an ordinary life.

Learning and support is delivered by our team of professionals who live with Neurodevelopmental conditions in their own family.

Neurodevelopmental Conditions Family Learning Programme

Learning programme for parents, carers and supporters in Liverpool who wish to gain knowledge and skills about their child's neurodevelopmental condition, with strategies to support the difficulties that may present around:

- Neurodevelopmental conditions/learning difficulties and mental health difficulties
- Autism Spectrum Disorder /Condition - ASD/C
- Attention Deficit Hyperactivity - ADHD
- Sensory Processing / Integration Difficulties (SPD)
- Challenging behaviours
- Your local offer, welfare rights and educational support

Courses are delivered in different locations throughout the city to meet the needs of all Liverpool families. Please contact the office and register your place on the next available course.

Our Children's Work 5-12

We offer an opportunity for children aged 5-12 living with neurodevelopmental conditions and their siblings to access inclusive, accessible fun activities with our partners The Black-E Community Arts Project.

We offer, through creative arts, food preparation, circus skills, dance, board games, Lego therapy and drama workshops to improve self-awareness, relationship development, self-confidence, self-control, improved co-ordination and social and communication skills development.

As part of the partnership work, parents and carers are to attend our Community Network Group in the same building at the same time: (See the Community Network Groups offer)

Youth Connect 5 course

This 3 x session course helps you as a parent/carer to learn new skills and approaches to connect with your children.

These skills will enable you both to build strong resilience, positive emotional health and wellbeing, whilst understanding why we feel the way we do.

The course will be delivered in Speke on Wednesday 24th, 31st January and the 7th February 2018 – 9.30am – 2.30pm.

For more information and to book on this course please contact the office. Check out <https://youthconnect5.org.uk>
