'Preparing for the future' Online Workshop

Pathway to inclusion and being part of own community

An extended webinar workshop, exploring how we can support neurodivergent young people to be included in the local community as they approach adulthood. Designed to compliment our Preparing for the future Learning Programme, see page 3)

Tuesday 24th June – 6.30pm – 8.30pm

[Click here to register](#)

Online community network groups and learning workshops provide parents and carers with an understanding of a particular topic around neurodevelopmental conditions. We provide strategies to support children and young people at home and in school, with an opportunity to interact with our team via the chat and Q&A function. If you are using a phone, you will need to download the Zoom app beforehand. Please be mindful of your data usage. If you do not have an unlimited data plan, you may need to connect to a Wi-Fi connection to prevent charges.

Learning Programmes for Warrington parents and carers

We offer learning programmes in Warrington to support parents and carers to understand and meet the needs of their neurodivergent children and young people, pre, during and post diagnosis.

[View our online calendar here or via the QR code to find the latest available dates](#)

Neurodevelopmental Conditions Learning Programme

This programme equips parents and carers with a greater understanding of neurodevelopmental conditions, specific learning difficulties and associated mental health needs and equips them with practical strategies that support the difficulties that may present, including:

- **Neurodevelopmental Conditions – including Autism, ADHD, Sensory Processing Difficulties, Specific Learning Difficulties.**
- **Managing everyday challenges and behaviours – including sleep, toileting and eating difficulties.**
- **Your Local Offer, disability welfare rights and SEND, Early Help and Education Health Care Plans.**

No referral or diagnosis is needed

Professionals Neurodevelopmental Conditions Awareness Raising Training

Designed to improve professionals' understanding of neurodevelopmental conditions (NDCs), how they may present and how one condition may overlap with another. Professionals attending this training will develop knowledge, skills and confidence to better support neurodiverse children, young people and their families:

- Understand the differences between and the typical behaviours of ADHD, Autism, and other NDCs
- Recognise the impact that unsupported and unmanaged NDCs can have on an individual and their family
- Understand the impact that sensory processing difficulties can have on children and young people
- Identify local support available for professionals, children, young people and their families.

Tuesday 24th June – 9.15am – 4.00pm
Orford Jubilee Hub

If you are interested in this full day's training, please call the office on 01925 320863 or email info@advancedsolutions.co.uk.

Preparing for Adulthood Professionals Workshop

A webinar workshop, exploring how professionals can support neurodivergent young people as they prepare for adulthood. Part of our "[Preparing for the Future](#)" project to support young people 11+ awaiting an autism or learning disability assessment.

Tuesday 10th June – 3.30pm – 5.30pm

[Click here to register](#)

We regularly update our website with new dates for professionals training and information about our offer for any professionals who work with neurodivergent children, young people and their families:
