

Preparing for the Future Learning Programme for parents and carers in Knowsley, St Helens and Warrington

ADDvanced Solutions
Community Network
Supporting you to find the answers

ADDvanced Solutions Community Network is an open access offer that supports the emotional health and wellbeing of neurodivergent children and young people, their families and the professionals that work with them.

We are commissioned in Warrington, St Helens and Knowsley to offer learning opportunities to parents and carers of neurodivergent young people aged 11+ , with or awaiting a diagnosis.

for families

Preparing for the Future Learning Programme

a structured, 6 session programme supporting and empowering parents and carers with information and strategies as their young person approaches adulthood:

- Planning for transition
- Supporting independence
- Reasonable adjustments and SEND
- Further education and employment
- Independent living
- Community inclusion
- Relationships
- Good health and wellbeing
- Local provision and services.
